“NON-NEGOTIABLE FOREVER NO EXCEPTIONS.”

---

**Family Vision & Non-Negotiables**

I am 35 and building toward a large, stable family. My goal is marriage with the intention of having 4–5 children and creating a strong, intact household over the long term.

Because of that vision, I am seeking:

• A woman under 30
• Someone who strongly desires multiple children
• Strong mental and emotional stability
• A healthy relationship with her father or a stable paternal presence growing up
• Alignment with traditional family structure and long-term commitment

These are not casual preferences — they are aligned with my long-term vision and I am serious about them.

I am fully committed to building the financial, emotional, and structural foundation required to support a large family.
